

Meet, eat and work at our contemporary collaborative tables perfect for touchdown working and informal meetings.

Ligni timber stools bring a relaxed coffee bar feel to the workplace: slimline Lofti stools offer an elegant alternative.

 Sven Christiansen furniture and seating is manufactured in the United Kingdom.

HiTable™

Sit, stand or perch with our contemporary furniture range for social spaces

Poseur height tables in a range of widths and depths for both single and double-sided use.

Choose a single finish or two-tone inner/outer combinations of any of our standard finishes. Most other commercial MFC finishes are available to special order. Edges match the external panel finish, or may be specified in Ply, Black or White to provide an attractive contrast.

Desk-height tables with matching bench seating, plus the option to add a dash of colour and enhanced comfort with generous cushions.

Flush-fitting power, data and USB charging ports are optional.
